

April

NEWSLETTER

MESSAGE

April is here, and spring is in full swing! Come enjoy fitness activities that are sure to put a spring in your step, creative art projects inspired by the season's bright colors, and try your hand at some of our new board games.

We hope you'll join us this month for our Easter party and annual egg hunt! We're also hosting two fun Saturday sessions: "Life's a Zoo," featuring animal-themed activities plus a movie, and "Love Your Earth," where you'll get your hands dirty, your curiosity growing, and your feet exploring Mother Nature.

EVENTS

- April 3rd - Friday
Easter Party
- April 11th - Saturday
"Life's a Zoo"
10am-2pm
- April 25th - Saturday
Love Your Earth
10am-2pm

REMINDER

Willow Place is a contracted DDCCS respite provider. Primary caregivers or guardians are responsible for tracking the total respite hours used each authorization period.

To assist with planning, please note the following service equivalents: one session equals 8.0 units, the lunch hour equals 2.0 units, and a full day at Willow Place totals 18.0 units. Keeping these unit amounts in mind can help ensure authorized respite hours are not exceeded.

If you have any questions, please don't hesitate to reach out.

GARDENING

Spring is the perfect time to grow our green thumbs! It's time to start our garden and we're gathering essentials like soil, mulch, kneeling pads, assorted seeds, and tomato and strawberry starts to help it thrive. If you have any of these to share, we'd be so grateful!

UPDATES

With warmer weather on the way, we're excited to take more of our fitness activities outdoors. Whether it's a neighborhood walk or time in the backyard, we'll be enjoying the fresh air and sunshine more. Be sure to check the calendar for daily activities and wear appropriate footwear and a light jacket for our scheduled outdoor fitness.
